February 22, 2024

Westbridge Institute of Technology
Inc.

“Privileged Identity Management Strategies for Prevention and Protection in the Digital Age”

Learned security practices for managing user access and system protection.

Oct 2015 - Jan 2016

Redlink Institute of Science
and Technology.

“Computer Graphics with Image Editing”

Gained hands-on experience in basic graphic design principles and image editing techniques using industry-standard tools at Redlink Institute of Science and Technology.

TECH SKILLS

- Microsoft Office (Excel, Word)
- Database Management (MySQL, MongoDB)
- System Troubleshooting & Technical Support
- SDLC (System Development Life Cycle)
- Data Management & CRUD Operations
- Operating Systems (Windows, Linux)

CORE COMPETENCIES

- Initiative and quick learning ability
- Strong multi-tasking and attention to details
- Ability to work independently and in a team
- Time management
- Customer Service

EDUCATION

2022-2026

Westbridge Institute of Technology Inc.

Tertiary - BS Computer Science

Focused on system development, database management, and web technologies with basic understanding of Artificial Intelligence and Machine Learning

2020-2022

Westbridge Institute of Technology Inc.

Senior High School - General Academic Strand

Built foundational knowledge in computer systems, programming, and ICT-related projects

2016-2020

Gulod National High School

Junior High School - Industrial Arts

Started in the Industrial Arts strand, gaining knowledge in technical-vocational skills
